## STOP THE SUN

For Office, Homes, Cars, Caravans & Boats

AFTER

With Klingshield Window Film - Reduce Heat, Stop Glare and Stop Fading of Furnishings and Upholstery

## DO IT YOURSELF WINDOW FILM KITS HOW IT WORKS - IT'S AS EASY AS ABC

### STEP 1

Measure your windows and call us on 011 640 5053/7 OR email the glass sizes to [klingshieldsa@gmail.com](mailto:klingshieldsa@gmail.com) OR fax it to 011 640 3815 and advise us on what your window related problems are.

Klingshield keeps cool in summer and warm in winter

### STEP 2

Klingshield's experts will advise you of the correct film to solve your window related problems and give you a quote immediately.

Klingshield will offer you technical advice and advise you on which film to use to solve your window problem

### STEP 3

You pay for the Klingshield film by EFT or Credit Card. We'll cut it to your measurements and you get:

- Free Tool application kit;
- Free Delivery out of town;
- Free Practice film;
- Free Installation manual with each kit;

Packaged & ready for collection or dispatched within 24 hours.

\* Conditions Apply

Klingshield will cut your film to size at no extra cost, ensuring it's easy to install with no waist of film

## Klingshield is User Friendly and Easy to Apply

1

Clean the glass surface to be covered

2

Spray the glass and film with wetting solution

3

Place the film against the glass and squeegee evenly

4

Trim away the excess and you're ready to enjoy the beauty and comfort of Klingshield for many years
